Suffolk County Legislator Tom Barraga (R-West Islip) recently participated in the 6th Grade Career Discovery Program at the Bay Shore Middle School. "This program is put on by the Bay Shore Middle School's Guidance Department and each year students have the opportunity to hear presentations given by speakers from various career professions and this allows exposure for these kids in the various occupations. The students then ask questions and some are really good questions such as how I make decisions on voting one way or another." said Barraga.
